

Memory Aid Accommodation Guidelines

What a Memory Aid is:

A memory aid is typically a piece of paper that:

- Can be handwritten or typed.
- Can include diagrams, mind maps, general formulas, acronyms, pictures, etc.

- Can be organized chronologically or by module or chapter.

Memory Aid Accommodation Guidelines

exam is to be decided on by

the professor)

2. The Student created their memory aid.

The student can get this with assistance or they can seek assistance
